

run new prague

Dear Half Marathon Aid Station Applicant:

The New Prague Half Marathon 10K & 5K is scheduled for Saturday, May 6, 2017. Each year the Chamber of Commerce invites non-profit organizations from the community to operate the nine aid stations on the race courses. This is an excellent way for your group to be involved in a community event, have fun and RAISE FUNDS for your organization.

Everyone goes home a winner! We've decided to make it even for everyone and give each station \$150 for their time and effort. We've opted to go with a flat rate for each station. **We CANNOT do this race without our aid stations and you are the most important role in the safety of this race!**

GUIDELINES FOR APPLICATION:

- 1) Each aid station must have a minimum of 10 and a maximum of 20 people at all times during the race.
- 2) If the sponsoring organization is a youth organization, there must be at least two adults present at the aid station.
- 3) Cups, water and Gatorade will be supplied. Each group will have to provide its own tables, costumes and accessories.
- 4) We must receive your application by **Wednesday, April 5th, 2017**.
- 5) Call the Chamber of Commerce with questions- 952-758-4360.

GUIDELINES FOR GROUP SELECTION:

- 1) The Chamber of Commerce will determine aid station placement along the race route.

If you have any questions, please call the Chamber office at 952-758-4360.

If your group is chosen as an aid station, further instructions will be sent after April 13th.
